

Things To Remember While You Are Out Of Your House

- ✓ Bring all the medication you take daily such as blood pressure medicine, insulin or vitamins. You may also want to bring any medical records you might need such as prescription information, in case of an emergency.
- ✓ Remember medical/first aid supplies like Band-Aids and aspirin.
- ✓ Don't forget all current bills and financial materials (checkbook, savings book, credit cards) - you may need to pay your monthly bills. Also make sure you have plenty of checks in your checkbook.
- ✓ Let neighbors take care of your houseplants at their house.
- ✓ Bring your personal address book so you can keep in touch with friends and family.
- ✓ Pack enough clothes for a few weeks and for all types of weather.
- ✓ Bring laundry supplies - you may need to do laundry at a friend's or the laundromat while you are out of your house.
- ✓ If you have young children don't forget that favorite toy or special stuffed animal.
- ✓ Don't forget to store perishable foods from your refrigerator/freezer somewhere else! There will be a period of time when your home is without electricity.

Helpful Information For Your Temporary Relocation

**The City of Norfolk
Hazard Mitigation
Grant Project**

Hints From The House Mover

Here are a few tips on how to prepare your house for your elevation/relocation:

- All your furniture and belongings can stay in your house.
- Secure all closets shut.
- Remove pictures/mirrors from walls and place on the floor.
- Take lamps off tables and place on the floor.
- You may want to remove from the house and store any items that are sentimental, valuable or irreplaceable to you such as jewelry or your grandmother's china dishes.

Where To Stay

It is up to individual property owners to make their own lodging arrangements.

Don't Forget Fido!

Remember that your pets will also need to be out of your house during part of the elevation/relocation process. Make arrangements with a family member, friend or vet to board your pets. Don't forget to bring along their food, medicines, and toys!
